Disclaimer

This report has been prepared by PREQUAL for the Contractor using our professional judgment based on information provided by the Contractor. PREQUAL have accepted comments and reviewed source documentation as provided by the Contractor but have not attempted to verify the accuracy of such information. PREQUAL does not accept any responsibility for the accuracy or completeness of the information supplied, or how the information is used by either the Contractor or any other organisation or individual accessing this report.

This report provides a view as to the likely state of defined aspects of the Contractors health and safety management systems and their application. This is done in the context of a prequalification process not an in depth audit or review.
